

## JUMBO WALL AQUARIUM

Our largest standard wall aquarium displays 5 by 2 ft of aquatic paradise. It's 50 gallon capacity makes it an ideal home for a community of marine or freshwater inhabitants. The sleek design allows it to be used as a room divider, desktop tank, or built into a wall. Perfect for a school of medium sized fresh and saltwater fish. Actual aquarium is clear on all sides and has a clear lid.

**Dimensions:** 60" L x 8" W x 24" H

## 4FT WALL AQUARIUM

The 4 ft wall aquarium adds décor and distinction to any environment. Its versatility makes it our most popular product. You can put it on a shelf, mantle or build it into a wall.

**Dimensions:** 48" L x 6" W x 16" H

## PORTRAIT/ Wall AQUARIUM

The portrait aquarium is the next evolution of our classic wall aquarium. A beautifully ¾ inch fruitwood stained pine frame houses the fish tank and is easily hung on any wall. This exquisite design looks like a painting. Ideal for numerous freshwater fish, it truly is a living picture.

**Dimensions:** 32" L x 4" W x 16" H

## SQUARE CUT OUT AQUARIUM

The new square tank is simply stunning, with its square cookie-cut center, large viewing area and whopping fish capacity. It's most noticeable feature, the square cut-out is functional, elegant and one of a kind. Not only can you see through this aquarium but you can put your arm right through it.

**Dimensions:** 40"L x 8"W x 36"H

## 4 FT BOW WALL AQUARIUM

Our NEWEST addition to our wall tank line up is the 4 Ft Bow Wall Aquarium. This unique tank is an eye catcher due to it's plasma TV like look. Enjoy hours of relaxation when viewing this aquarium.

**Dimensions:** 48" L x 6" W x 16" H
